int    x

int*   p     O    -2763
             loca

int   y          13    980  73

int*  q

double  d    O   33.41   980   73.2341

double* pD

int  joe    O    24   284  7623

const. int  sal   O   19

int*  pI

const int* pcI

```
int* const    cpI

const int* const    cpcI
```

complex

C $\longrightarrow$ complex $\longrightarrow$ (double) real : 11.23

$\searrow$ (double) img : 45.67

complex*   pC

# Quiz:

A: const. int

B: non const. int

C: all (const + non const) int

---

| | | |
|---|---|---|
| int * | | B |
| const int * | be assign to: | C |
| int * const | | B |
| const int * const | | C |
